- Review applications
- Finance management
- Reporting

WHAT WE DO

Live lessons. Contracts. Parent panel. Payments. Messaging. All in one platform.

01

Teacher Hiring & Contracts

End-to-end flow from application to interview, approval to signature.

02

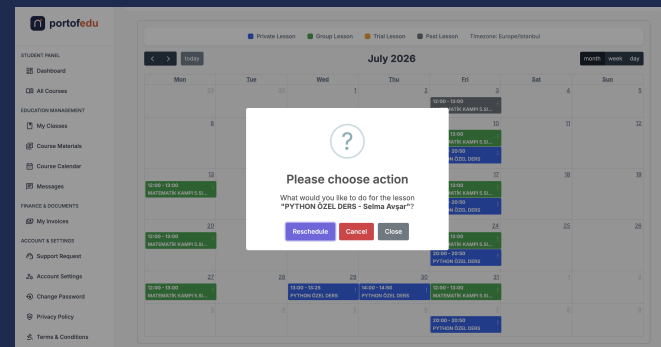

Lessons & Calendar Management

Group/one-on-one courses, Zoom integration, and attendance tracking in one screen.

03

Finance & Reporting

Teacher earnings, payment approval, and live financial analytics.

WHY CHOOSE US?

Safe, Age-Based Registration

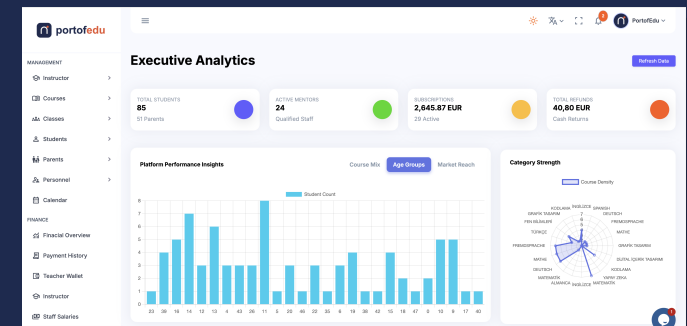

- Under 18 requires parent approval; 18 and over can register directly.

End-to-End Management in One Platform

The entire operation, from application to payment, lives in one system.

Real-Time Financial Transparency

- Revenue, earnings, and payment approvals are tracked live.

From application to payment, end-to-end management in one system.
